4. How will this meeting help you in your day-to-day work? *(comments only)*

- I gained a higher awareness about the issues.
- It will help very much because it is very useful for our future clinical practice.
- It will help me in the future with work with HIV positive pregnant women x 2
- Better evaluation of HIV+ women of reproductive and child bearing age, as well as better solutions for their therapeutic and screening options.
- Since i am a resident of gynaecology & obstetrics, this meeting was very helpful. I learned a lot about management of pregnancies in HIV patients.
- I find it very useful, especially about HIV pregnancy.
- Better understanding of treatment
- I will think about more female patients needs.
- It gives me good insight for HIV & pregnancy
- That I know that other Doctors can be informed if you want that.

5. What is your overall assessment of the meeting?

5 Very effective/Excellent — 1 Not effective/Poor

AVERAGE
4.9

6. Please give suggestions for how future meetings might meet your training needs *(comments only)*

- More informed for Family Doctors/GPs
- It was perfect, I have no suggestions
- Viral resistance workshop
- NGO should be included
- More frequent meetings
- I am totally satisfied, the topics were presented in an easy to understand way.
